

Financial Assistance

Being a patient in the hospital can cause a financial burden on you or your family for which you are not prepared. We want to help ease this burden so that financial problems will not interfere with your recovery.

Salina Regional Health Center's financial assistance program helps patients who have large medical bills that are beyond their ability to pay.

Any patient, whether underinsured (patients who are insured but cannot pay their portion of the bill) or uninsured (patients having no insurance or federal or state health care program) can apply to receive financial assistance for medical bills. Financial assistance is based solely on the patient's ability to pay and not on the basis of age, race, color, religion, sex, national origin, disability or veteran status.

Application for Assistance

An Application for Assistance form is available by calling our Patient Financial Services staff at (785) 452-6299. Representatives are ready to help you and your family with any questions or concerns you may have.

Patient Financial Services is open Monday through Friday from 8 a.m. to 5 p.m.

Our Pledge to You

- A discount will be given to all uninsured patients.
- Salina Regional Health Center will also provide financial assistance to patients who meet guidelines based on federal poverty levels.
- Salina Regional will help patients with alternative methods of financial assistance whenever possible.
- Confidentiality of information will be maintained for all who seek financial assistance at Salina Regional Health Center.
- Salina Regional respects and values the dignity of all patients and their families.
- Salina Regional Health Center maintains its commitment to serve all patients requiring care regardless of age, race, color, religion, sex, national origin, disability, veteran status or ability to pay.
